

YOU'RE INVITED! Please join us for...

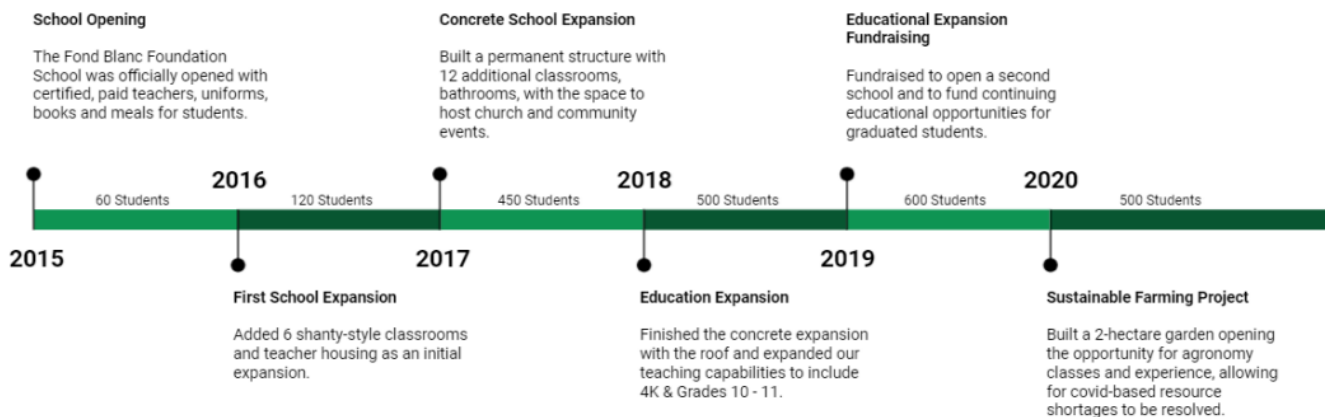

Fond Blanc Foundation's *Rally on the Runway*

What: The Fond Blanc Foundation's **7th annual Rally on the Runway Fundraiser**, organized to benefit the children and school in Fond Blanc, Haiti. In addition to continuing the education of these deserving children, we aim to help provide basic needs for this village. At just \$166/child, and 600 children to educate, feed and support. We are confident that with your support we can hit the \$100,000 mark required to make this happen.

Tickets are \$50 each, and will include admission to the event, drinks, delicious food from Blue Plate Catering, live music from Blue Spruce, access to a fantastic silent auction, & other fun activities.

When/Where: This year's event will be held at **Capital Flight Hanger** at Morey Airport in Middleton on **Friday, October 8, from 7:00–11:00 pm.**

Why: In 2010 an earthquake devastated Haiti and, in response to the consequent needs, the Fond Blanc Orphanage was established. In 2014, the **Fond Blanc Foundation** was created to further support the children at the orphanage. Unfortunately, Haiti once again finds itself in the face of further devastation: the assassination of President Moïse in early July, followed by a 7.2 earthquake in mid-August, and significant heavy rains from passing through hurricanes. More than ever, these events have moved us into crisis-mode, in terms of basic needs for our Haitian friends and family. Education is the only chance these children have to succeed outside the orphanage. Our Rally on the Runway fundraiser was created to further support a successful education program at Fond Blanc.

We look forward to seeing you there!

We are also looking for corporate sponsors for our event. If you're interested in becoming a sponsor of Rally on the Runway, please reach out to Tia at tia.bunz@fondblanc.org. Thank you!
