

FOND BLANC FOUNDATION'S

RALLY VISION PROJECT

As Covid-19 continues to create many unknowns for each of us, the needs in Fond Blanc, Haiti remain unchanged: food, shelter, and education. Now more than ever we remain committed to the children of Fond Blanc.

Once a year, the Fond Blanc Foundation hosts the *Rally on the Runway* fundraiser to provide financial support for the school of Fond Blanc. While we will miss seeing you in person at this fun-filled event, with your continued support we will rally on!

Thank you for your partnership! Together we have built a new school, launched a sustainable food supply program, and built a learning resource space. With your continued generosity, we can maintain these initiatives for another year.
