

# rally on the Runway

In 2010, an earthquake devastated Haiti, which led to the establishment of the Fond Blanc Orphanage. In 2014, the Fond Blanc Foundation was created in effort to further support the children at the orphanage. Haiti once again finds itself in the face of further devastation. Since the assassination of President Moïse in 2021 and eventual resignation of Prime Minister, Ariel Henry, the country has fallen under gang control, leaving most of Haiti in a state of severe food instability and dangerous living situations. And while we continue to help support these basic needs in Fond Blanc, we know that education is the only chance these children have to succeed outside the orphanage. We have also seen a huge influx of children attending our school this year, as families seek refuge in the mountains.

**Rally on the Runway** was created to further support a successful education program at Fond Blanc.

We want to personally invite you to the **10th annual Rally on the Runway Fundraiser, Friday, September 27, 2024 7:00–11:00 pm**, organized to benefit the children and School in Fond Blanc, Haiti. In addition to continuing the education of these deserving children, we aim to help provide basic needs for this village. At just \$166/child, and over 700 children to educate, feed and support, we are hopeful that with your support, we can hit the mark required to make this happen. This year's event will be held at **Capital Flight** at Morey Airport in Middleton. Each admission ticket will include delicious food from Blue Plate Catering, an open bar, a large variety of original items in the silent auction and live music.

Please consider sponsoring Fond Blanc Foundation's Rally on the Runway. With different giving levels and opportunities to help, you will be able to see your donation make a HUGE impact immediately! And you can feel good knowing that **100% of the funds raised goes directly to supporting the children and teachers at the Fond Blanc Orphanage.**
